

Please help Hans Christmas Andersen at Santa Fir create a bauble garden for children and adults to enjoy, giving you the chance to win money towards your chosen charity. We will display the names of people and organisations who have created a bauble at our pay station.

Decorate and fill your bauble and return with your completed form and any donation, however small, to Hans Christmas Andersen at Santa Fir by 28th November.

Father Christmas will choose the winner's bauble at random on 1st December after he arrives at the farm at midday.

Hans Christmas Andersen will match charitable donations received and give the total amount raised from all the baubles to the winning entrant's charity.
